

SAMSUNG.COM

The Flex Duo™ is one large oven, great for big holiday turkeys and it also converts into two separate ovens. Bake, roast, or broil at two temperatures at once. Discover more at facebook.com/samsunghomeappliances.

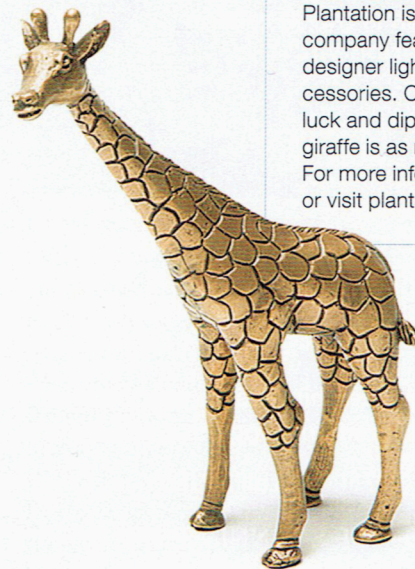

CALIFORNIACLOSETS.COM

We create custom designs for every room. The home office in Milano Grey, with Tangerine and Silver Wisp door inserts, makes for an inspiring place to work. A pull-down bed converts the space into a comfortable guest room. For more information, visit californiaclosets.com.

RONBOW.COM

The classic lines of the Hampton vanity harken back to traditional East Coast style and luxury. A perfect complement to any bathroom, this vanity features modern functionality with a timeless look.

PLANTATIONDESIGN.COM

Plantation is a design and interior lifestyle company featuring custom furniture, designer lighting, and unique home accessories. Considered a symbol of good luck and diplomacy, this petite brass giraffe is as meaningful as it is majestic. For more information, call 800.513.1621 or visit plantationdesign.com.

NASIRICARPETS.COM

Mazandran, a collection of expressive designs and colors utilizing an ancient technique that evokes modernist painting, architecture and music. These unique flat weaves are hand carded using naturally dyed wool. Colors and sizes can be customized. For more information, visit nasiricarpets.com or call 212.532.6777.
